Dear Smith Read:

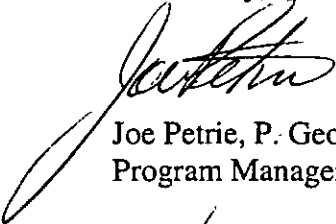

Re: Risk Management

Thank you for the addendum to the Annual Monitoring for Risk Management proposal dated December 21, 2004, which was submitted by your consultant, Hasegawa Engineering and was received December 22, 2004. Your file has been re-opened.

The proposed engineering fee for installing the monitoring well and conducting the monitoring for risk management has been accepted for funding under the grant. **If you are in agreement, you may authorize your Consultant to proceed with the work on a lump sum basis for \$5,400.00, GST excluded.**

If you have any questions or concerns, please contact Karen Clarke at (780) 415-8671 or toll-free at 1-866-833-3300.

Yours truly,

Joe Petrie, P. Geol., R.E.T.
Program Manager
