Dear Mr. Rick Delorme:

**RE: Groundwater Monitoring Well Decommissioning
Former Barons Turbo Bulk Station
235 Main Street, Barons, Alberta
Location No. C42520, AENV #82402**

Enclosed for your review is a Groundwater Monitoring Well Decommissioning report dated March 30, 2009 prepared by O'Connor Associates Environmental Inc. with respect to the above referenced site (the "Report").

The Report was prepared exclusively for Shell; it is being submitted to Alberta Environment in order to communicate information on the subsurface environmental conditions of the site.

It is Shell's position that this Report is confidential notwithstanding it will be made available to the public pursuant to Ministerial Order 23/2004.

Should you have any questions upon reviewing this Report, please do not hesitate to contact me at (403) 216-5558.

Yours truly,
