
The 2022 Index begins on page 1 and is arranged in the order the six major headings appear in the Alberta Gazette:

- Proclamations
- Appointments
- Resignations and Retirements
- Orders in Council
- Government Notices
- Advertisements

Three Tables of Contents are published in the first section (pages i-x) to help you find material in the 2022 Index.

The “Alphabetical Table of Contents” contains in alphabetical order each of the major headings, sub-headings, and sub-divisions found in the Index. It includes the names of Acts used in the Index, and it contains many cross-references.

The “Systematic Table of Contents” is a subject guide arranged in the order in which corresponding material is published in the Index. Entries are filed alphabetically within indentions. There are no cross-references in the Systematic Table of Contents.

The “List of Acts/Regulations Cited” is arranged in alphabetical order and lists the name of each Act and Regulation cited in the Index. Material is published in the Alberta Gazette by authority of an enabling statute.
