Notice of Intention to Designate a Provincial Historic Resource

(Historical Resources Act)

File: Des. 1683

Notice is hereby given that sixty days from the date of service of this Notice and its publication in Alberta Gazette, the Minister of Tourism, Parks, Recreation and Culture intends to make an Order that the site known as the:

Urquhart Block, together with the land legally described as:

Plan RN1 (I), Block 5, all those portions of lots 3, 4 and 5 described as follows

Commencing at a point in the southern boundary of Barnett Avenue as shown on said Plan distant 113.5 feet from the north west angle of Block 5 aforesaid thence south at right angles to the southern limit of Barnett Avenue 21 feet, more or less, to the intersection of a line drawn parallel with the south westerly limit of Lot 3 aforesaid and perpendicularly distant north easterly 11 feet therefrom thence south easterly along the said line 95 feet and 5 inches to the south easterly boundary of said lot 3 thence north easterly along the south easterly boundaries of lots 3 and 4 aforesaid, to the intersection of the north easterly boundary of said lot 4, thence north westerly along the said boundary 75.5 feet, more or less, thence north at right angles to the said

southern boundary of Barnett Avenue 6 feet and 1 inch to the said southern boundary of Barnett Avenue, thence west along the said boundary 42 feet and 2 inches, more or less to the point of commencement

The land hereby described being coloured pink on a Plan attached to Day Book No. 6072R

Excepting thereout all mines and minerals

and municipally located at 4923 – 50 Avenue in the Town of Lacombe, Alberta

be designated as a **PROVINCIAL HISTORIC RESOUC**E under section 20 of the Historical Resources Act, R.S.A. 2000 c. H-9.

The reasons for the designation are as follows:

The heritage value of the Urquhart Block lies in its fine representation of early commercial architecture in Alberta.

Built in 1907, the Urquhart Block is situated in a historic Lacombe neighbourhood distinguished by an uncommon triangular footprint created by the intersection of the original land survey with the oblique alignment of the Calgary and Edmonton Railway line. The block's triangular plotting and grouping of heritage buildings makes it one of Alberta's premier collections of early twentieth century commercial buildings. The peculiar shape of the block's footprint imparts to the Urquhart Block building a unique feature: dual storefronts. Though the presence of two storefronts on the building is unusual, the design of the storefronts is typical of Alberta's early commercial buildings, featuring the division of their surfaces into three sections: the main floors with recessed entrances, large display windows surmounted by transoms, and bulkheads; second storeys separated from the first by sign bands and featuring the symmetrical arrangement of multi-paned windows; and crowning cornices surmounted by parapets and a central pediment. The yellow cement brick joined by red mortar on each of the storefronts imparts a distinctive character to the building. It is a vital contributor to the lively historic ambience of Lacombe's central business district.

It is therefore considered that the preservation and protection of the resource is in the public interest.

Dated this 12 day of July, A.D. 2007.

Notice of Intention to Disestablish Upper Bob Creek Ecological Reserve and, Conclude a land exchange to consolidate the boundary of the Black Creek Heritage Rangeland

(Wilderness Areas, Ecological Reserves, Natural Areas and Heritage Rangelands Act)

Notice is hereby given that sixty days from the date of service of this Notice and its publication in Alberta Gazette, the Minister of Tourism, Parks, Recreation and Culture is intending to disestablish Upper Bob Creek Ecological Reserve and include those lands in the surrounding Bob Creek Wildland and Black Creek Heritage Rangeland.

In May 1999, the Bob Creek Wildland (20,778 hectares) and Black Creek Natural Area (7,760 hectares and redesignated as the Black Creek Heritage Rangeland in 2003) were established. This protected a significantly larger portion of the Whaleback area, including the ecological reserve.

Detailed assessment of these lands was completed prior to establishment of Bob Creek Wildland and Black Creek Heritage Rangeland and specific management recommendations were reviewed. One of these recommendations was to disestablish the Upper Bob Creek Ecological Reserve and include all of these lands in the surrounding Bob Creek Wildland and Black Creek Heritage Rangeland.

This proposal was reviewed through the management planning process with extensive stakeholder and general public input. Further public notice of the proposed action was provided through advertisements in the Edmonton Journal, Calgary Herald, Pincher Creek Echo and Nanton News in April, 2007 and no submissions were received regarding the proposed action.

A land exchange to consolidate the boundary of the Black Creek Heritage Rangeland would also be completed. Approximately 27.3 hectares of land will be removed from the heritage rangeland and approximately 30.6 hectares of land will be added.

The proposed action would affect the Upper Bob Creek Ecological Reserve, Bob Creek Wildland and Black Creek Heritage Rangeland, located in Townships 10 – 13, Ranges 1-3 West of the 5th Meridian.

Additional information regarding the proposed action and a detailed legal description of the lands can be obtained by writing to the following address:

Alberta Tourism, Parks, Recreation and Culture
Parks, Conservation, Recreation and Sport Division
2nd floor Oxbridge Place
9820 – 106 Street
Edmonton, AB T5K 2J6

Persons wishing to submit written submissions related to the proposed action may direct these to Brian Kelly, Director, Parks Program Coordination Branch at the above address.

The proposed action would take place on or after October 15th, 2007.

Dated this 31st day of July, A.D. 2007.

Bill Werry, *Assistant Deputy Minister.*
