Tourism, Parks and Recreation

Notice of Intention to Establish Longview-Pekisko Heritage Rangeland (Wilderness Areas, Ecological Reserves, Natural Areas and Heritage Rangelands Act)

Notice is hereby given that sixty days from the date of service of this Notice and its publication in Alberta Gazette, the Minister of Tourism, Parks and Recreation is intending to establish Longview-Pekisko Heritage Rangeland.

Heritage Rangelands preserve Alberta's grasslands and help sustain traditional ranching by using grazing to maintain native grassland. The proposed Longview-Pekisko Heritage Rangeland and adjacent privately held lands are native grasslands representative of the Foothills Parkland and Montane Natural Subregions.

An assessment of these lands was completed for Alberta Sustainable Resource Development in March 2008 in conjunction with the adjacent land owner. Historically these lands have been managed under a long-term grazing lease in concert with the adjacent privately held lands as one functioning unit. Establishment of the Heritage Rangeland will further secure the long term management of these lands.

The proposed action is located in the Municipal District of Foothills and encompasses portions of Township 17, Range 3, West of the 5th Meridian and Townships 18 and 19, Ranges 3 and 4, West of the 5th Meridian.

Additional information regarding the proposed action and a detailed legal description of the lands can be obtained...

...by following the appropriate links on the following web page

...or by writing to the following address

Alberta Tourism, Parks and Recreation

Persons wishing to submit written submissions related to the proposed action may direct these to Archie Landals, Director, Parks Resource Management Coordination at the above address.
