2 For taxation purposes in 2008, the annexed land and the assessable improvements to it

- (a) must be assessed by The County of Grande Prairie No. 1, and
- (b) must be taxed by The County of Grande Prairie No. 1 in respect of each assessment class that applies to the annexed land and the assessable improvements to it using the municipal tax rate established by The County of Grande Prairie No. 1.

3 For taxation purposes in 2009 and subsequent years up to and including 2022, the annexed land and the assessable improvements to it

- (a) must be assessed by the City of Grande Prairie on the same basis as if they had remained in The County of Grande Prairie No. 1, and
- (b) must be taxed by the City of Grande Prairie in respect of each assessment class that applies to the annexed land and the assessable improvements to it using
 - (i) the previous year's municipal tax rate established by The County of Grande Prairie No. 1 for the years 2009 up to and including 2012, and
 - (ii) the previous year's municipal tax rate established by The County of Grande Prairie No. 1 plus the percentage of the difference between The County of Grande Prairie No. 1's municipal tax rate and the City of Grande Prairie's municipal tax rate for the years 2013 up to and including 2022 as follows:

2013 - the previous year's municipal tax rate established by The County of Grande Prairie No. 1 plus 10% of the difference in municipal tax rates between the municipalities;
