ITEM 36A: Marketing Materials

Marketing materials

36A.1(1) If marketing materials were provided under subsection 13.7(1) or 13.8(1) of the Instrument, the issuer must

- (a) include a section, under the heading “Marketing Materials”, proximate to the beginning of the prospectus that contains the disclosure required by this Item,
 - (b) subject to subsection (2), include the template version of the marketing materials filed under the Instrument in the final prospectus, or incorporate by reference the template version of the marketing materials filed under the Instrument into the final prospectus, and
 - (c) indicate that the template version of the marketing materials is not part of the final prospectus to the extent that the contents of the template version of the marketing materials have been modified or superseded by a statement contained in the final prospectus.
- (2) An issuer may comply with paragraph (1)(b) by including the template version of the marketing materials filed under the Instrument in the section of the prospectus under the heading “Marketing Materials” or in an appendix to the prospectus that is referred to in that section.
 - (3) If the prospectus or any amendment modifies a statement of material fact that appeared in marketing materials provided earlier,

- (a) provide details of how the statement in the marketing materials has been modified, and
- (b) disclose that, pursuant to subsection 13.7(7) or 13.8(7) of the Instrument,
 - (i) the issuer has prepared a revised template version of the marketing materials which has been blacklined to show the modified statement, and
 - (ii) the revised template version of the marketing materials can be viewed under the issuer's profile on www.sedar.com.
- (4) State that any template version of the marketing materials filed under the Instrument after the date of the final prospectus and before the termination of the distribution is deemed to be incorporated into the final prospectus.
- (5) If the issuer relies on the exception in subsection 13.12(1) of the Instrument, include the following statement, or words to the same effect:

“Before the filing of the final prospectus, the issuer and underwriters held road shows on *[insert dates and brief description of road shows for U.S. cross-border offering eligible for the exception in subsection 13.12(1) of the Instrument or other prospectus rule]* to which potential investors in *[insert the jurisdictions of Canada where the prospectus was filed]* were able to attend. The issuer and the underwriters provided marketing materials to those potential investors in connection with those road shows.

In doing so, the issuer and the underwriters relied on a provision in applicable securities legislation that allows issuers in certain U.S. cross-border offerings to not have to file marketing materials relating to those road shows on SEDAR or include or incorporate those marketing materials in the final prospectus. The issuer and the underwriters can only do that if they give a contractual right to investors in the event the marketing materials contain a misrepresentation.

Pursuant to that provision, the issuer and the underwriters signing the certificate contained in this prospectus have agreed that in the event the marketing materials relating to those road shows contain a misrepresentation (as defined in securities legislation in *[insert the jurisdictions of Canada where the prospectus was filed]*), a purchaser resident in *[insert the jurisdictions of Canada where the prospectus was filed]* who was provided with those marketing materials in connection with the road shows and who purchases the securities offered by this prospectus during the period of

distribution shall have, without regard to whether the purchaser relied on the misrepresentation, rights against the issuer and each underwriter with respect to the misrepresentation which are equivalent to the rights under the securities legislation of the jurisdiction in Canada where the purchaser is resident, subject to the defences, limitations and other terms of that legislation, as if the misrepresentation was contained in this prospectus.

However, this contractual right does not apply to the extent that the contents of the marketing materials relating to the road shows have been modified or superseded by a statement in this prospectus.
