Service Alberta

Approval of Amendments to Purchaser's Protection Program under the Condominium Property Act

The Condominium Property Regulation requires the Minister's approval of any significant changes to a Purchaser's Protection Program (Program) and a notice of the approval by the Minister before the changes can be incorporated into a Program.

Aviva Insurance Company of Canada requested approval of changes to its Program, as a consequence of new requirements for deposit protection insurance under the Insurance Act.

Aviva Insurance Company of Canada's Program indemnifies the purchaser of a condominium unit against loss of any portion of his or her deposit money that is released from trust, where that loss is incurred as a result of the developer's failure to complete construction of the unit or related common property, or both. Where a developer is enrolled in a Program, purchasers must receive a certificate containing information specified in the Regulation about the Program, in accordance with section 69 of the Condominium Property Regulation.

The Minister of Service Alberta, Stephen Khan, approved the changes to Aviva Insurance Company of Canada's Program on September 30, 2014.
