## Infrastructure

### Contract Increases Approved Pursuant to Treasury Board Directive 02/2005

**Contract:** Calgary - Foothills Medical Centre Bone Marrow Transplant (BMT) Unit Interim Renovations

**Contractor:** Stuart Olson Construction Ltd.

**Reason for Increase:** The Bone Marrow Transplant Unit renovation at the Foothills Medical Centre in Calgary is a five-phase project. Identification of scope was limited due to the immuno-compromised patient population residing in areas to be renovated with an original estimated budget of \$2.5 million. The original Stuart Olson contract included pre-construction services and was awarded for \$539,335. Design was completed and tendered and SO's contract was then amended by \$5,210,665 to bring the total contract value to \$5,750,000. During the first two phases, unforeseen site conditions were identified impacting scope and schedule requiring an additional contract increase of \$1,000,000, bringing the total contract value to \$6,750,000.

**Contract Amount:** \$539,335.00

**% Increase:** 1,152%

**Amount of Increase:** \$6,210,665.00

**Contract:** Calgary - Rockyview General Hospital - Electrical Upgrades

**Contractor:** Westcor Construction

**Reason for Increase:** This change was for the finalization of Enmax's new electric service feeder utility costs for the hospital, bringing the previous GC contract percent increase from 17% to 22%. This Enmax fee was negotiated to approximately 40% of the request from Enmax.

**Contract Amount:** \$1,714,000.00

**% Increase:** 22%

**Amount of Increase:** \$378,699.72

**Contract:** Edson - Edson Healthcare Centre

**Contractor:** Stuart Olson Construction Ltd.

**Reason for Increase:** An agreement was reached to compensate the Construction Manager for a historical labour rate increase. This will increase the contract from the previously approved cumulative contract increase of \$165,700,000.00 completed November 2016 to \$166,103,000.00

**Contract Amount:** \$65,900,000.00

**% Increase:** 152%

**Amount of Increase:** \$100,203,000.00

**Contract:** High Prairie Health Complex - Community Health and Wellness Clinic Interiors

**Contractor:** Krawford Construction (2011) Inc.

**Reason for Increase:** After Alberta Health Services (AHS) occupied and began operating in the HPHC in 2017, various operational issues arose on the base building. As Krawford Construction was onsite and had trades and labourers available, it was prudent for them to complete the work, to ensure completion in a timely manner. We are nearing the completion of the identified remedial issues, and will shortly need to

finalize changes to close out this project. Preliminary cost estimates of the work exceed the original tolerance of the project; therefore, we are requesting this increase.

**Contract Amount:** \$4,612,900.00

**% Increase:** 14%

**Amount of Increase:** \$662,369.13
