Notice of Adjustment to the Minor Injury Amount

(Insurance Act)

Pursuant to the Minor Injury Regulation, the maximum amount awarded for minor injuries is adjusted to \$5,817 and is applicable to minor injuries caused in automobile accidents occurring in Alberta on or after January 1, 2023.

The following appendix sets out the method of calculating the adjustment to the minor injury amount.

Dated at Edmonton this 24th day of November, 2022.

Mark Brisson, *Superintendent of Insurance*.

Ref: *Insurance Act*
Minor Injury Regulation

Appendix

The maximum amount recoverable as damages for non-pecuniary losses for all minor injuries sustained by a claimant as a result of an automobile accident, occurring during the 2023 calendar year, is \$5,817.

This amount is based on the annual change in the Alberta Consumer Price Index (CPI), and calculated using the following formulas:

- (a) The annual change in the Alberta CPI was calculated to one-tenth of a percentage point using the formula $X = (A - B) / B$ where:
 - X is the annual change in the Alberta CPI;
 - A is the sum of the 12 individual monthly CPI indexes for the 12 month period ending on September 30, 2022; and
 - B is the sum of the 12 individual monthly CPI indexes for the 12 month period ending on September 30, 2021;
- (b) The result in (a) is multiplied by the 2022 minor injury amount and rounded to the nearest whole dollar to derive the increase in the minor injury amount for 2023; and
- (c) The increase in (b) is added to the 2022 minor injury amount and rounded to the nearest whole dollar to establish the 2023 minor injury amount.

The following data were used in the calculation:

12-m period ending Sept 30, 2021	Alberta Consumer Price Index	12-m period ending Sept 30, 2022	Alberta Consumer Price Index
Oct-20	145.2	Oct-21	151.5
Nov-20	145.4	Nov-21	151.6
Dec-20	144.8	Dec-21	151.7
Jan-21	145.8	Jan-22	152.8
Feb-21	146.4	Feb-22	154.5
Mar-21	146.9	Mar-22	156.5
Apr-21	147.7	Apr-22	157.0
May-21	148.6	May-22	159.2
Jun-21	148.9	Jun-22	161.4
Jul-21	150.3	Jul-22	161.4
Aug-21	151.0	Aug-22	160.0
Sep-21	150.8	Sep-22	160.1
Summation (B)	1771.8	Summation (A)	1877.7

Based on the above, the annual change in the Alberta CPI, rounded to one-tenth of a percentage point, is .059770 (or 6 per cent). The increase in the minor injury amount for 2023 is 6 per cent of the 2022 minor injury amount of \$5,488 rounded to the nearest whole dollar (or \$329). Accordingly, the 2023 minor injury amount is set at \$5,817.

The historical maximum minor injury amounts, reported by effective date, are:

Effective Date Range	Minor Injury Amount
