GOVERNMENT NOTICES

Arts, Culture and Status of Women

Notice of Intention to Designate a Provincial Historic Resource

(Historical Resources Act)

File: Des. 0068

Notice is hereby given that no less than sixty days from the date of service of this Notice and its publication in the Alberta Gazette, the Minister of Arts, Culture and Status of Women intends to make an Order that the site known as the:

Our Mother of Perpetual Help Roman Catholic Church, together with the land legally described as:

Plan 2222582

Block 1

Lot 3

Excepting thereout all mines and minerals

and municipally located in Athabasca County, Alberta

be designated as a **Provincial Historic Resource** under section 20 of the *Historical Resources Act*, RSA 2000 cH-9.

The reasons for the designation are as follows: The heritage value of Our Mother of Perpetual Help Roman Catholic Church rests in its association with Polish immigration and settlement in Alberta. It is further valued for its unique architectural design, which reflects strong influences of Polish ecclesiastical architecture.

Our Mother of Perpetual Help Roman Catholic Church was built to serve a predominantly Polish settler population in the Spruce Valley/Prosperity area after World War Two. The origins of the church date back to the mid-1920s when Alberta saw a significant increase in Polish immigration. Many of the new arrivals settled in Athabasca County, one of the few remaining places in Alberta at that time with enough available agricultural land to support group settlement. The growth of this population created a demand for Polish-speaking Roman Catholic clergy, as the new settlers had little choice at first but to attend religious services delivered in English, French or other languages. The area was occasionally served by itinerant Polish-speaking clergy who held services in the community school in the 1930s; however, the growth of the Polish Roman Catholic population justified the need for a proper church building. The church was built between 1946 and 1948 with the volunteer labour of the parishioners (and without the involvement of professional architects or engineers), and the parish was served for decades by clergy fluent in Polish. Our Mother of Perpetual Help Roman Catholic Church is thus associated with the post-World War One growth of Alberta's Polish population and reflects that group's demand for religious services that reflected Polish traditions.

Our Mother of Perpetual Help Roman Catholic Church is further valued for its design, which draws heavily from ecclesiastical architecture in Poland. This influence is most strongly evident in the church's steeple, which features an octagonal drum and distinctive lantern and cupola often found in Baroque Polish churches. These features are unique among Polish churches in rural Alberta, most of which reflect a tradition of French-Canadian architecture. The architecture of Our Mother of Perpetual Help Roman Catholic Church thus reinforces the 'national' character of the church and the demand for a place of worship services that reflects a distinctly Polish religious tradition.

Any person who wishes to make a representation regarding the proposed designation may do so by submitting a written request to the Minister, care of Matthew Wangler, Executive Director, Historic Resources Management Branch 8820 – 112 Street, Edmonton, Alberta, T6G 2P8. Any such request must be made within 30 days of the publication of this notice. At the end of the 30-day period, the Minister will fix a date for the hearing of representations and will notify all those who have advised of their intention to make representations. On the date fixed, the Minister will hear representations from all parties who have expressed an interest in doing so.
